**Danette Lowe, CFP® Partners with Habitat for Humanity  
For a Day of Giving Back**

*Local Financial Advisor Danette Lowe Attends Commonwealth Financial Network's  
Annual Conference*

**San Antonio, TX (November 7, 2012)** — Danette Lowe, CFP®, Managing Partner of TruNorth Wealth Management, LLC in Minden, NV, recently participated in a day of giving back at Habitat for Humanity of San Antonio, the first U.S. affiliate of Habitat for Humanity International, which supports families in need by building homes, strengthening neighborhoods, and improving communities. The initiative was sponsored by Lowe's broker/dealer, Commonwealth Financial Network®, the nation's largest privately held independent broker/dealer, during its annual National Conference in San Antonio, Texas, held November 2–5, 2012.

Lowe, along with a peer group of 170 financial advisors and their guests, donated her time to assist Habitat for Humanity with this worthwhile project, which involved helping build a new single-family home for a local family.

“The feeling of joy and pride was overwhelming, we all wanted to do such a good job for the families!” said Lowe.

While in San Antonio, Lowe also attended Commonwealth's 2012 National Conference, which drew more than 781 financial advisors who came together to learn from industry experts, network with peers, and examine the current market climate in an effort to provide continued leadership to investors.

The conference theme, *State of Independence*, encouraged attendees to channel their own independent spirit as inspiration to explore new terrain in their practices and with their clients. James Carville and Mary Matalin, married political consultants who sit on opposite sides of the aisle, were the keynote speakers, offering a lively debate on the current political landscape. Brad McMillan, Commonwealth's chief investment officer, presented an economic and market update.
